HOWDY!

We're excited that you can join us Down on the Farm at this year's Meridian District Cub Scout Day Camp.

Day Camp takes place July 26th through July 30th at Little Hills Ranch, located at 18013 Bollinger Canyon Road in San Ramon, California.

Camp is open to all Boys and Girls (Cub Scouts) entering the 1st – 5th Grade. If your child is not currently a Scout, he or she can attend camp by filling out a BSA Youth membership application and paying the prorated BSA registration fee (\$50). At the end of camp, we would encourage you to join a local Cub Scout pack or troop.

You'll discover and learn things from across the farm. An amazing fun filled week is planned where Cub Scouts will play and participate in:

- Valuable Cub Scout Skills/Crafts
- Nature
- Scout Skills
- Science/Culture Experience
- Swimming
- Wood projects
- Make new friends
- Meet Scout BSA youth from different troops

Who Should Attend?

This summer camp experience is open to any Cub Scouts going into 1st through 5th grade.

Parent-to-Child Ratio

Each Pack is required to provide a minimum of 1 adult per 6 children at camp, with at least 2 adults to meet the requirement of two-deep leadership. Tigers are required to have an adult partner with them each day at camp. If your group does not have 2 adults, contact the director and your group will be partnered with another group for the week.

Program –What Will They Be Doing?

Cub Scout Day Camp provides a structured program for the youth who attend. Scouts in attendance will be assigned a unit, with which they will rotate through all the activities. Each group will get the opportunity to take part in Crafts, Cooking, Scout Skills, Nature, Swimming, and much more. Program sessions run approximately 30 - 45 minutes.

SAFETY IN LIGHT OF COVID-19

The safety of all participants is our priority. In light of COVID-19, we are taking additional precautions at camp on top of our established health and safety measures. These precautions are important, but they do not remove the potential for exposure to COVID-19 or any other illness while at camp or anywhere else.

Information from the Centers for Disease Control and Prevention (CDC) shows that some people with COVID-19 may show no signs or symptoms of illness but can still spread the virus. Since some people may be contagious before their symptoms occur it is possible that an infected person may pass all the required health screenings and be allowed into a camp. We also know the very nature of camps and activities make social distancing difficult in many situations and impossible in others. We are modifying our programs to make them as safe as possible during the COVID-19 pandemic.

Organization into Camp Units & Social Distancing

County and State guidelines are ever changing, so we will adapt accordingly to comply with the rules in place in July. Our current plan is to have campers of one gender placed in a small “unit” that is led by two adults and/or with the assistance of junior helpers (which in turn are Scouts BSA scouts). These units cycle through events or stations throughout the day/week. Sometime multiple units simultaneously participated in the same event.

In light of COVID, campers cannot be mixed or rotated in and out of units. Once they are assigned to a unit, they must stay with this unit the entire time at camp. While we know kids are kids and it will be extremely tempting for them, they have to be encouraged to stay with their units and not socialize with friends who may be in another unit.

While we will not intermingle units, there will be occasions where more than one unit may be at an Activity Station at the same time. Little Hills Ranch is a large outdoor facility that has large banquet canopies which will be utilized for Crafts and Engineering. Other events take place in the open. When more than one unit is at a station at the same time, they will be kept apart – with one unit on one side of a tent and the other(s) on the other side or in the middle - and at least six feet apart. Other stations, such as the pool, will find units rotated by groups while the other is working on another aspect of the activity, nearby, but socially distanced.

COVID-19 MITIGATION STRATEGY

Personal Responsibility → Camp Responsibility

Mitigating the risks of COVID is a shared responsibility.

Everyone must do their part before, during and after camp:

Before Camp

All Day Camp participants eligible for the COVID-19 vaccine are encouraged to be vaccinated. While there is no requirement for adults to be vaccinated, those who chose not to receive the COVID-19 vaccine, must show proof of a valid negative COVID test.

All ADULTS must show proof of *either*:

1. A valid vaccination (copy only of the vaccination card) for COVID-19 (both doses of either Pfizer or Moderna with at least 2 weeks of elapsed time past the 2nd dose or after the 1 dose J&J vaccine)
- or*
2. A valid COVID-19 test: proof of a negative COVID-19 test taken within 72 hours of their first day at Day Camp in the case of a PCR-based test or 24 hours for validated rapid antigen-based test.
 - Over the counter tests / tests done at home are NOT valid.

A copy of a valid vaccination card must be submitted in your Pack's Pack Binder. Those who are not vaccinated are to present proof of a valid negative COVID test when checking in during the first day of camp.

Refer to the Golden Gate Area Council's COVID policy for updated information.

Youth and Junior Staff do not need to be vaccinated or show proof of a negative COVID test. Again, Junior Staff that are eligible for the COVID-19 vaccine are encouraged to be vaccinated.

Do NOT attend camp if you, your camper or a family member have experienced these symptoms in the 14 days leading up to Day Camp:

- In contact with someone known or suspected to have COVID or the below symptoms.
- Fever of 100 or greater
- Repeated shaking with chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

One cannot attend camp if the answer is “yes” to any of these questions:

1. Have you or has anyone in your household been in close contact* in the past 14 days with anyone known or suspected to have COVID-19 or is otherwise sick?
2. Have you or has anyone in your household been in close contact* with anyone who has been tested for COVID-19 and is waiting for results?
3. Have you or has anyone in your household been sick in the past 14 days, or have you or they been tested for any illness and are waiting for results?

*According to the Centers for Disease Control and Prevention, “Close Contact” means:

- You were within 6 ft of someone with COVID-19 for a cumulative total of 15 min (or more) over a 24-hour period.
- You had direct physical contact with an infected person (hugged or kissed them).
- You shared eating or drinking utensils.
- An infected person sneezed, coughed, or otherwise got respiratory droplets on you.

Mandatory Wearing of Approved Face-Coverings

While at camp each and **every participant must wear a face covering** over their mouth and nose. **This INCLUDES adults who have been vaccinated.**

All face coverings (whether disposable or reusable) must:

- Be made with at least two layers of breathable material.
- Fully cover the nose and mouth and secure under the chin.
- Fit snugly but comfortably against the side of the face.
- Be secured with ties or ear loops and allow the person to remain hands-free.
- Shall not contain a valve which allows air to be exhaled from the mask.
- Open-chin triangle bandanas are not acceptable face coverings.

Face-coverings do not have to be worn when in the pool or eating.

We understand it may be hot and people need to take a break from wearing face-coverings. Adults can make the call when they or their campers can spread out and safely do so. Adults should monitor youth to ensure they do not get overheated.

Social Distancing, Cleaning & Hand Washing

The use of face coverings is not a substitute for physical distancing.

Participants will maintain social distancing and high contact areas will be routinely sanitized several times a day.

All participants will wash or sanitize their hands between each program session.

There will be extra hand sanitizing stations positioned throughout the camp to encourage a high level of personal hygiene.

A roving team will wipe down high usage areas and refill hand sanitizer stations.

Participants shall not share items, especially water bottles.

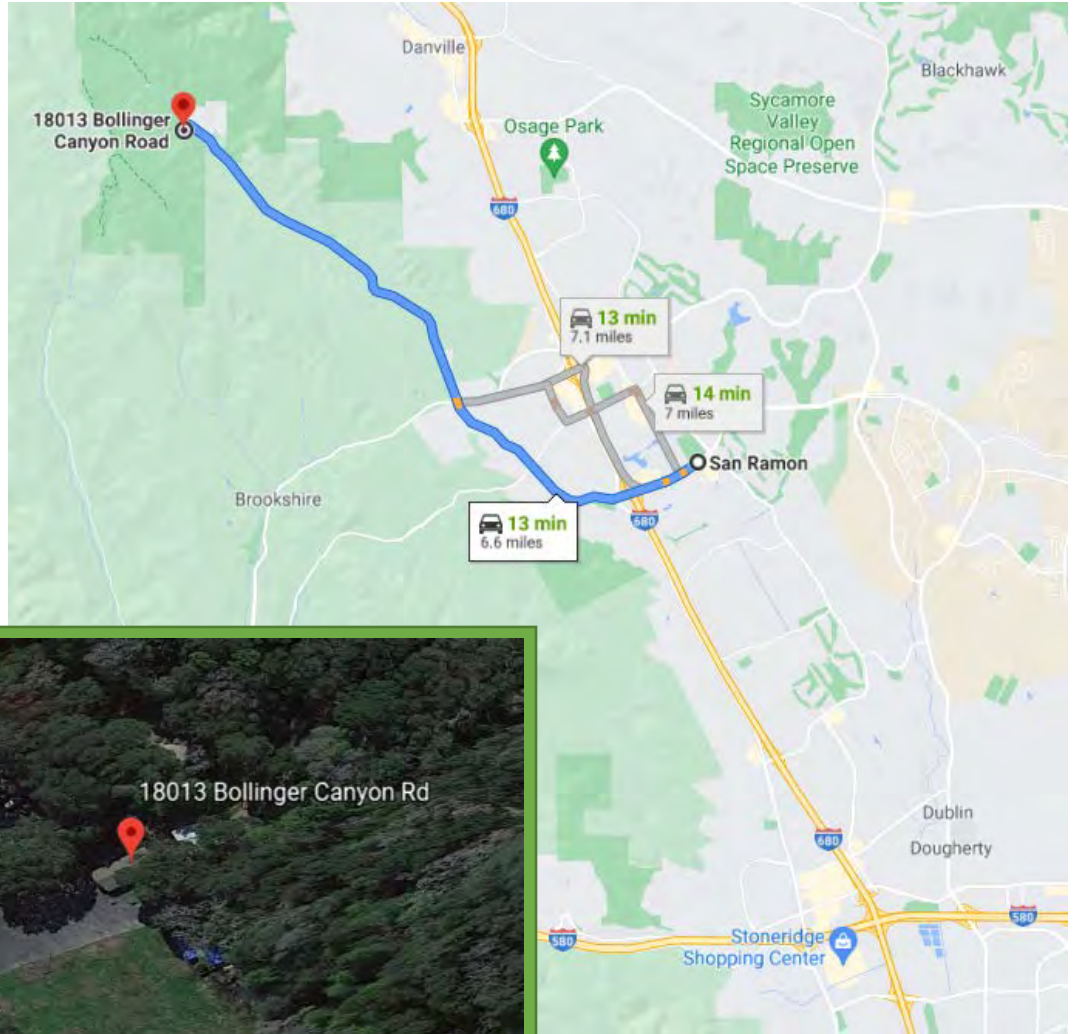

After Day Camp

Should any participant (Youth or Adult) or family member develop COVID within 10 days following camp, please email

Rand Mahoney, the Meridian District Executive, at rand.mahoney@scouting.org as soon as possible after the diagnosis.

WHERE IS CAMP LOCATED?

Little Hills Ranch
18013 Bollinger Canyon Road
San Ramon, California.
Near Las Trampas Regional Park

DRIVING TO THE DAY CAMP DROP OFF AREA

Traffic is very busy in the mornings, especially on Monday. Please plan to spend 15 minutes for drop-off and 30 minutes for pickup.

All vehicles travel down Bollinger Canyon Road and **go past** Little Hills Ranch entrance.

- A U-turn is made further down the road so that all vehicles entering camp do so by making a right hand turn
- Do not stop on Bollinger Canyon Road to make a left hand turn into the parking lot. Go to the end and make the U-turn.

 Pickup and Drop Off  Volunteer & Temp. Parking  Volunteer Parking

DROP OFF & PICK UP

Cars will be directed when to enter the Drop Off & Pick Up Lot at Day Camp.

- Wait to turn into the parking lot and follow the directions given by the Traffic Personnel, only advancing when directed.

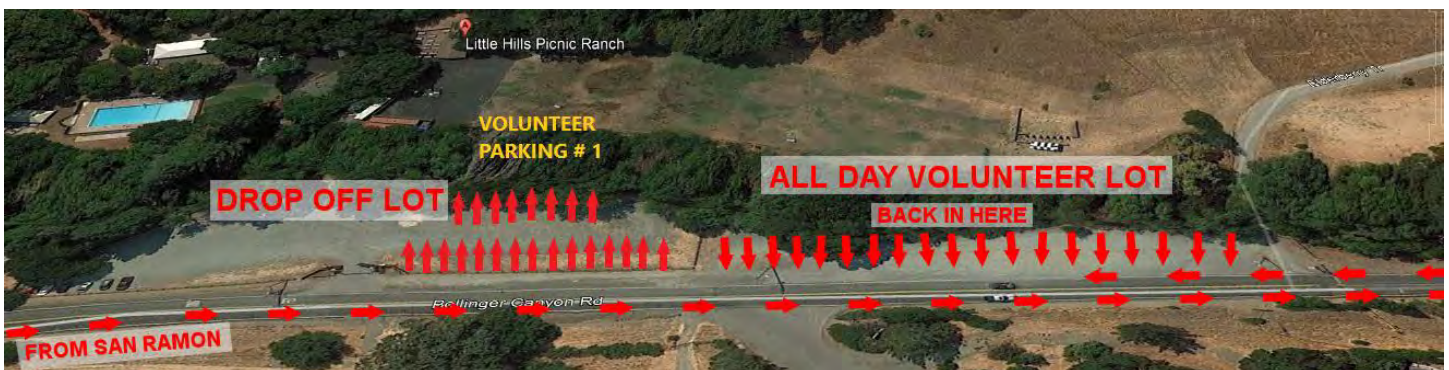

The flow of traffic is in a large counter-clockwise circle, with the Drop Off & Pick Up Zone located towards the end of the circuit.

- Please follow the directions given by the Traffic Personnel. **When picking up your campers, be sure to present your Pick-Up slip to the Attendant.** Wait until directed to drive off as many children are getting in / out of cars during this time.

ALL DAY VOLUNTEER PARKING

Only adults volunteering the day at camp and wearing their Camp Staff shirts will be allowed in the Main Parking area. Parents wanting to walk their scouts to the entrance in the morning will have to park in the overflow area. Make sure you display your parking pass on your dashboard so that we may find you in case your car needs to be moved.

All vehicles parked in the main parking lot need to be backed in. The front of the car needs to face out so a quick exit may be made in the event of an emergency.

PICK UP SLIPS

In order for a child to leave the camp property, a **Pick-Up Slip** needs to be turned in.

Given children may be in different camp units, each child must have their own **Pick-Up Slip**.

These pick-up slips must be filled out completely.

- One child per slip.
- Write their unit number on the slip. Children will be in their units during pick up time.
- Circle the day that the slip is good for.
- Give the SLIP(s) to the person picking up your child each day.
- We will compare the name on the **Pick-Up Slip** to that is on the driver's ID. They must match in order for the child to be released to the person picking them up.

Every adult, including parents, picking up a child from camp **MUST** present a valid pick-up SLIP **EACH DAY**. You even need a SLIP for your own child.

Pick Up Slips are at the back of this handbook and can be found on the Day Camp website.

LATE ARRIVAL

Parents, do your best to inform the Camp Director or your Unit Leader/Pack Coordinator of a late drop-off. This will prevent any unnecessary phone calls.

Report to HQ, your camper's Unit location will be determined depending on the time of drop-off.

Camper will be escorted to their Unit by Jr. Helper or Staff.

EARLY DEPARTURE

Please inform us if you plan to remove your camper early.

Report to HQ, have your pick-up slip filled out with photo ID.

Your camper will be located and escorted to HQ.

NO EARLY CHECKOUT AFTER 3PM!

LITTLE HILLS CAMP LAYOUT

First Aid Station

While camp is located within a short distance of a fire station, it operates a station that provides simple care to Scouts. The First Aid Station is located on the immediate left-hand side as you enter camp, next to the pool area. A qualified Health Officer/Medic will be assigned at the station every day.

Everyone at camp must have their A & B forms on-file to be allowed on-site. Any camper injured at camp should report to the tent for evaluation. Their buddy, Junior Helper or adult should escort them to the tent. Injuries will be triaged and treated. For serious injuries, parents will be notified and EMS will be activated.

Medications

If a camper must take any kind of medicine (prescription or over the counter) while at Day Camp, this must be turned into the First Aid Station at the beginning of camp and picked up on Friday. Park your car and come in to the First Aid Station to do so. Medications will be kept under locked supervision. Don't not bring medications to camp unless absolutely necessary.

Exception: Epi-pens and rescue inhalers will stay with the camper. However, you should leave one with the First Aid Station as well.

For all medications:

- Written instructions must be included with the Scout's name, medication name, when to be administered, and what quantity (dosage) to be administered.
- All medications must be given to the Health Officer in the original pharmacy container.
- This must be annotated on the Medical A&B form that was turned in during registration.
- Contact the Camp Directors before camp if any medication requires refrigeration.

It is IMPORTANT that the parent/unit leader keep track of the medications and times needed. Many times, the Scout needs a reminder to go to the First Aid Station.

Over the Counter Medications

Please do not carry your or the camper's over the counter medications with you. Some over the counter medications are available at the First Aid Station and can be administered if you provided permission on the Medical B form.

Examples:

- Children's Advil, Motrin & Tylenol
- Adult: Motrin, Tylenol & Excedrin

If you must bring over the counter medication, please drop it off at the First Aid Station and remember to pick them up at the end of Camp.

Two Deep Leadership & Buddy System

Adults working directly with youth need to be registered with the Boy Scouts of America and have completed Youth Protection Training.

The camp strictly observes two deep leadership. Adults are never to be "one-on-one" with a Cub other than their own child. Always have another adult present. No Cub can go anywhere without another scout or "buddy".

Dress Code

Scouts, Junior Helpers & Adult Volunteers will receive a Day Camp shirt the first day of camp and are to wear their Day Camp shirt every day of camp. These shirts help us distinguish those who are allowed to be at camp from strangers.

- Adults - Red
- Campers - Green
- Jr. Helpers – Green with Orange Name Tape
- TAGs – Green with Yellow Name Tape

Cubs will be able to swim Tuesday – Thursday and are asked to wear their swimsuit under their clothes so that they can access the pool faster (even if under shorts or jeans).

- Bring a towel and change of clothes so that your scout may change in to dry clothes after swimming.
- Bring a Ziploc bag for the wet swimsuit.
- No open toed shoes are allowed.
- Please dress appropriately for all weather conditions.
- Wear sunscreen and hats at all times.
- Wear an approved face-covering.

LOST AND FOUND

The Day Camp lost and found box will be located at HQ. Leaders need to remind Cubs to have their personal effects clearly marked with name and Pack number. Each Scout needs to take care of and safeguard their personal property. Do not take valuables to the program areas, or leave them lying unattended around camp.

Please have Cubs check to ensure they have all their belongings before going home – we will not be held responsible for items left at camp.

Pets

Pets are not permitted at Day Camp unless the pet is a registered Service Animal.

Discipline

The Unit Leaders, assistant leaders, and parents are responsible for the discipline and order of their own scouts. The Camp Staff will not assume the responsibility for, or interfere with youth discipline unless it directly involves the health and safety of Cubs, or the Unit Leaders or parents are not present at the time of the problem. The Camp Director will be appraised of any problem by the staff member and will refer them to the parent or the Unit leader. No arrangements may be made to send a Scout home before informing the Camp Director of the situation. No initiations or hazing are permitted.

Damage to Equipment or Facilities

Each unit will be responsible for their own youth while at Day Camp. Any damages to equipment or facilities because of abuse, whether willful or as a result of negligent or imprudent practices, the parent of the Scout involved could be financially charged to cover the cost of those damages.

POOL

A swimming pool is present at camp. Camp units will be rotated to the pool for swim time. Cubs will be supervised at the pool by the 2 lifeguards and the staff member assigned to the pool. They will be assisted as needed by the Unit Leaders and aides.

A swimming test is administered on the first day of swimming. Cubs are then designated as Swimmers (can swim in the deep end), Beginners (shallow area), or non-swimmers (cannot swim at all).

Following the test, the Aquatics Director notes the swimming ability classification of each scout and provides them with a colored wristband (**Swimmers = Green, Beginners = Yellow, Non-swimmers = Red**).

- **Cubs are encouraged not take off the wrist band during the week of camp** – i.e., leave it on even when they go home for the day. This speeds up the process for them to enter the pool the next day. Otherwise, we need to look up the scout's name to determine what swimming level test they passed - this is done after all of the other youth are admitted into the pool.

Participants are assigned buddies and limited to water depths appropriate to their ability unless approved life jackets are worn.

All Cubs need to be out of the pool 10 minutes before the end of the scheduled time to allow for changing. All Cubs need to change out of their wet bathing suits.

Each Cub has been instructed to bring a zip lock bag with them to put the wet suit in. These bags should be in their daypacks that they carry with them throughout camp.

Youth can change inside the changing rooms adjacent to the pool. Youth must change on their own. Adults ARE NOT to assist the youth or be present while they are changing.

If a restroom is used for a changing station, male adults should not use the restroom when youth are inside changing. If it is necessary to enter the restroom, adults must be accompanied by another adult.

- Poolside activities are provided to engage non-swimmers, such as, lanyards, paracord bracelets, or games.

Junior Helpers

Junior Helpers are our junior staff. In the morning, they should check in at the Junior Helper station located on the lawn in front of the pool area. There he or she will receive instructions. Junior Helpers will help out guiding campers in units, assisting at activity stations or ensuring that the water coolers are stocked.

Thursday Night Junior Helper Appreciation Event!

Junior Helpers are invited to a swim and pizza party – just for them – held Thursday evening from 4:20 p.m. to 6:00 p.m.

Volunteer Certificate and Earning Service Hours

At the conclusion of camp, Junior Helpers will also receive a certificate which states the hours they volunteered. This can be presented to their Scoutmaster or school, where applicable. Junior Helpers should contact their Troops before coming to camp to ensure that the hours they work at Day Camp will apply towards advancement service hours.

WELCOME TO MERIDIAN DISTRICT'S 2021 CUB SCOUT DAY CAMP

ADULT LEADER & GENERAL CAMP INFORMATION

UNIT LEADER & GENERAL CAMP INFORMATION

Welcome to Day Camp! We hope you have a wonderful week. Here is some great information for you to have at camp. If you are a unit leader, we recommend you bring a wagon and pop-up canopies (make sure they are staked down). Don't forget to bring your backpack, water, snacks and lunch. There is little to no cell phone coverage at camp, so plan accordingly.

Unit Leaders should arrive by 10:00 a.m. on Monday and by 7:45 a.m. Tuesday through Friday. Expect to leave around 4:30 pm. On Friday, camp ends at 2:30 p.m., but we ask that you stick around to assist us putting away camp. We can get done in a few hours if everyone helps.

VOLUNTEER INFORMATION

CORE STAFF: The Core Staff consists of a Camp Director and Program Director, and the District Executive. This year they will be wearing **red** T-shirts. Usually, the Core Staff can be located at the Camp Head Quarters. The Core Staff are the ones who work year-round planning and organizing the camp. Once camp starts, they are there to help the Camp Staff run and operate the camp. All Core Staff have 2-way radios. The District Executive is the only paid scouter involved in the camp. All other staff members are volunteers.

CORE STAFF ASSISTANTS: These are people who also have 2-way radios. They can be identified by their **red** colored shirts. These people include the Medic, Stations Leads: Crafts, Swimming, Engineering, Cooking, Nature, etc.

ADULT STAFF: The Camp Staff is made up of adults, who are working all week, have attended training, and orientation. Most staff members are Unit Leaders, Assistant Unit Leaders, or Activity Managers. The staff are the ones who run the camp during the week. It takes all the staff working together to have a successful camp. Staff members can be identified by their **red** colored shirts.

UNIT LEADERS: These people are staff members assigned to manage a unit of scouts. They are responsible for supervising the Cubs in their Unit from the time camp begins until the Cubs are: a) picked up, b) turned over to the Camp Director, or c) are taken home. They make sure the Cubs arrive at each activity on time, do the activities in the Unit box with the Cubs, help the Cubs with the activities at each area, etc. Besides supervising the Cubs, they are responsible to make sure the Cubs have a fun and safe time at camp. Leaders are encouraged to get into the camp theme and have fun along with the Cubs.

ASSISTANT UNIT LEADERS: These people are additional staff members assigned to a Unit. Over the years we have found it better to designate only one Unit Leader per Unit, Staff members assigned to a Unit who are not designated as the Unit Leader are designated as an assistant Unit Leader.

ACTIVITY MANAGERS: These people are staff members who have been working on preparing projects for the camp and/or work in areas around camp running our activities (engineering, crafts, tags, sports, swimming, etc.). Special BSA training has been taken by the managers for archery, sling shots, and swimming.

UNIT AIDES: These are adults that come and work one or more days but less than all-week, or are all week adults who did not attend training. They are at camp to help the staff run the camp, especially manage and supervise the Cubs or help the

project managers. The Unit aides also are responsible for supervising the Cubs in the assembly area while the staff is attending the morning staff meeting.

YOUTH AIDES/Jr. HELPERS: These are youth (boys and girls) ages 11 to 17 who come to camp to work and assist the camp staff. They are assigned to work in the TAG program, in activity areas, sometimes with Units to help the Unit Leaders, or assigned to do miscellaneous jobs around camp, such as keeping the water containers full. These aides are Scout BSA scouts (formerly Boy Scouts). Ask them to talk to our campers about the Scout program. Youth aides can be identified by their **green** shirts and **orange** name tape.

STAFFBREAKS: Staff members can take a break whenever the Cubs are involved in an activity and are being supervised by the Unit aides and project leaders. The best time is when the Cubs are at the pool. Be sure that the aides also get a break.

STAFF MEETING: There will be a brief staff meeting daily during the morning assembly. The meeting will be at Headquarters (HQ). One of the two leaders from each unit should plan to attend. This is a time to update you on any changes that may occur, solve any problems, and hear suggestions. Please be on time and come with your ideas and feel free to have your say. Be sure and let the core staff know of any problems or concerns you have right away. We can't address them if we don't know about them! Remember to have Unit Aides or the Assistant Unit Leader stay with the scouts during the staff meeting.

TAG-A-LONGS (aka "Tags"): This is a program designed for siblings of our campers while their parents are working at camp. This program is for parents working at camp only. Tags can be identified by their **green**. Tags must be checked into the program upon their arrival and must remain in the program until departure, except in case of emergency.

UNITS: Cubs are divided into Units. Most Units are a mixture of Cubs from various packs. A Unit consists of approximately **12-14 Cubs**, and a minimum of **2 adults**. Some units will be a mix of two or more packs. Cubs wear **green** shirts.

UNIT BINDER: This is the guide for the Unit. It contains the attendance sheets, the daily Unit schedule, projects the Cubs will do at camp, rules, emergency information, and other important and useful information. The Unit leader picks the binder during the Morning brief. ***THE UNIT BINDER IS LEFT INSIDE THE UNIT BOX AT THE END OF EACH DAY.***

UNIT BOX: These boxes contain projects that can be done during Unit time, the Unit binder, supplies, etc. Feel free to use it for storage of items you may need during the week, but be sure and take any personal belongings with you on Friday.

- ***THE UNIT BOXES ARE TO BE LEFT AT CAMP AT THE END OF EACH DAY.*** The boxes are to be put on the table outside the TAG area when leaving. They are to be picked up at the truck when you arrive each day.

UNIT FLAG: Each Unit will find their flag when they arrive at assembly on Monday morning. Units are to sit behind their flag while at assemblies. When at assembly, the flags are to be placed on their unit flag stand. When the morning assembly is over, the flag is carried by the Cubs and goes everywhere they go during the day. Each Cub should be given a turn carrying the flag. When the closing assembly is over, return the flag to the flag stand. These flags are to be decorated by the Scouts during the Monday den time activity (this takes place in the Unit area (at your picnic table), NOT IN THE ASSEMBLY AREA). Supplies to decorate the flags are in the Unit box. Let the Cubs use their imagination. Have fun!

UNITSCHEDULE: Each Unit is scheduled into various activities throughout the day. It is important for you to be on time for these activities to finish on time. Please keep on schedule. If you finish early use some of the additional activities in your Unit box or play a game or sing a song.

ASSEMBLY: We have three assemblies during the day. Note: It is the Leaders responsibility to keep the Cubs orderly and quiet when needed.

Morning assembly is for getting started and general announcements. After morning assembly your Unit is dismissed to begin your day at camp.

Lunch assembly is for an activity or presentation. Have your Unit assemble quickly, to avoid delays in the afternoon

activities. On Monday there will be a camp evacuation drill. DO NOT tell the campers in advance. If camp needs to be evacuated, an air horn will be blown at least two times in 3 short bursts. When this occurs, IMMEDIATELY round up all Cubs in your Unit and go to the parking area and line up behind the barricade with your Unit number on it. Do not attempt to collect belongings, etc. However, make sure you have your list of scouts in your unit and you can account for all of them. Activity managers are to be the last ones to leave their area, making sure all Cubs have left and all hazards have been secured.

Closing assembly is to say good bye to the campers for the day. Be sure that your Unit area is clean and tidy and that all the Cubs in the Unit come with all their belongings to the assembly. Once assembly is over, you need to get the Cubs to the parking lot without delay.

REMEMBER YOU ARE RESPONSIBLE FOR THE CUBS IN YOUR UNIT UNTIL THEY ARE PICKED UP (OR TURNED OVER TO THE CAMP DIRECTOR IF THEIR PARENT HAS NOT ARRIVED AT THE PICK-UP TIME).

ATTENDANCE SHEET: This is found in your Unit Binder. Take attendance each day at morning assembly. Keep one copy in the binder and track which Cubs have attended each day for the achievements mentioned above. Keep one copy with you always in case of emergency and the camp needs to be evacuated. Another copy needs to be completed and will be delivered to the Camp Director or assistant during the morning assembly.

BUDDY SYSTEM: The name is descriptive. No Cub can go anywhere without another scout or "buddy". ***TWO DEEP LEADERSHIP.*** Adults are never to be "one-on-one" with a Cub other than their own child. Always have another adult present.

BULLETIN BOARD: Special messages and a copy of the master schedule will be posted on the board. The board is in the HQ area.

CLEAN UP: We are all responsible to keep the entire camp clean. Keep your Unit area clean. Trash cans are located throughout camp. Put all your Unit supplies away in your Unit box at the end of the day. Each Unit will have an opportunity to win a clean camp award. As the Cub Scout motto says, "Do Your Best". Activity managers are responsible for returning all tools to the storage truck at the end of each day.

FOOD & DRINK: Everyone attending Camp, both Cubs and adults, is responsible to bring their own food and drink. Water will be provided throughout camp. Only food that will not spoil should be brought to camp. Mayonnaise is not recommended. We do recommend one large ice chest be brought to store the food and drinks in during the day. Ice is available outside the boy's restroom. Ice chests can be left at Camp overnight.

LOST & FOUND: All lost & found items will be deposited at the Camp HQ. Please bring anything you find there. Expensive items will be held up at assemblies to be claimed, and if not, kept in the HQ. When camp is over, all items are delivered to the Council office.

SONGS: We highly encourage singing songs, chants, or cheers when going from place to place. The louder and more the better. You should start working on this as soon as Monday's assembly ends while traveling between activities. When coming up with your song, remember this year's theme. There is a bag full of candy that makes its way around Camp. The bag is referred to as "critter". Whenever a loud song is performed for the person with Critter, the Cubs will be rewarded! Also, we would love to have a copy of your song or cheer for our camp song & cheers book. Find songs online and bring your own to camp!!!

POOL: The Cubs will be supervised at the pool by lifeguards and the staff member assigned to the pool. They will be assisted as needed by the Unit Leaders and aides. All Cubs need to be out of the pool 10 minutes before the end of the scheduled time to allow for changing. All Cubs need to change out of their wet bathing suits. Each Cub has been instructed to bring a zip lock bag with them to put the wet suit in. These bags should be in their daypacks that they carry with them

throughout camp. The Cubs can change either inside the changing rooms adjacent to the pool. The Cubs must change on their own. Adults ARE NOT to assist the Cubs or be present while they are changing. Male adults should not use the restroom during the period that the Cubs are inside changing. If necessary to enter the restroom, adults must be accompanied by another adult.

MEDICAL PROBLEMS: On each attendance sheet is a box next to each scout's name that lists any medical problems that the Unit Leader may need to be aware of. Due to the small size of the box, most problems are noted with only one or two words. For additional information, the Cub's application is available for review in the Staff Area. If any problem noted on the forms are observed, report them to the nurse. An example of this is if the form says, "bee sting", then the Cub is allergic to bee stings. If stung, the nurse must be notified immediately.

FIRST AID: Any & all injuries must be reported to the camp medic. The medic can usually be found in the medical area. Whenever they leave, a note will be on a board outside the first aid area as to where they can be located. They also can be found by contacting any staff member with a radio. Any children who need medication while at camp MUST have it administered by the medic or by the child's parent. If sending a Cub to the medic, remember to send a buddy. And if you think the Cub will have to stay with the medic, send along two buddies with the sick or injured Cub. For any serious injury, contact the nearest staff member with a radio. The medic will come to the injured Cub Scout (or adult).

STRANGERS IN CAMP: If you see anyone in camp who looks like they do not belong, please notify immediately a staff member with a radio. The Camp Director will make contact and identify the stranger.

EMERGENCY EVACUATION – 3 long blows from the whistle. Each station leader will have a whistle & 2-way radios to communicate with Camp Directors. Units will assemble at the emergency gathering location and remain there until the "all Clear" is given. Unit leaders make a headcount to ensure all are accounted for.

JUNIOR HELPER PARTY: Thursday evening, Jr. Staff will be treated to pizzas and a party from 4:20 to 6:00 pm.

FRIDAY CAMP GAMES: Friday is when we will switch from the normal daily schedule to the camp wide games. We encourage help to setup stations. The Staff meeting will be held during opening assembly.

REMEMBER TO HAVE FUN AND THANK YOU FOR TAKING THE TIME TO COME AND WORK AT CAMP!
