Day Camp Introduction

We're excited that you can join us at this year's Meridian District Cub Scout Day Camp.

Day Camp takes place June 13th through June 17th at Little Hills Ranch, located at 18013 Bollinger Canyon Road in San Ramon, California.

Camp is open to all Boys and Girls (Cub Scouts) entering the 1st – 5th Grade. If your child is not currently a Scout, he or she can attend camp by filling out a BSA Youth membership application and paying the prorated BSA registration fee. At the end of camp, we would encourage you to join a local Cub Scout pack or troop.

You'll discover and learn things from across the farm. An amazing fun filled week is planned where Cub Scouts will play and participate in:

- Valuable Cub Scout Skills/Crafts
- Archery
- Nature
- Scout Skills
- Science/Culture Experience
- Water Activities
- Wood projects
- Make new friends
- Meet Scout BSA youth from different troops

Day camp activity stations or other volunteer opportunities.

Who Should Attend?

This summer camp experience is open to any Cub Scouts going into 1st through 5th grade.

Parent-to-Child Ratio

Each Pack is required to provide a minimum of 1 adult per 6 children at camp, with at least 2 adults to meet the requirement of two-deep leadership. Tigers (children entering the first grade in 2022) are required to have an adult partner with them each day at camp. If your group does not have 2 adults, contact the director and your group will be partnered with another group for the week.

Program – What Will They Be Doing?

Cub Scout Day Camp provides a structured program for the youth who attend. Scouts in attendance will be assigned a unit, with which they will rotate through all the activities. Each group will get the opportunity to take part in Archery, Crafts, Cooking, Scout Skills, Nature, Water Play, and much more. Program sessions run approximately 30 - 45 minutes.

The primary focus for Day Camp is creating great opportunities for the scouts to <u>have fun</u>. While we may be accomplishing some scout rank advancement achievements, that is not our primary goal. Currently we do not have a list of what might be done at camp since we lack the volunteer help to compile the list. It would be best to contact your scout's unit leader to see what is done each day.

Safety in Light of COVID-19

The safety of all participants is our priority. With COVID-19, we are taking additional precautions at camp on top of our established health and safety measures. These precautions are important, but they do not remove the potential for exposure to COVID-19 or any other illness while at camp or anywhere else.

Information from the Centers for Disease Control and Prevention (CDC) shows that some people with COVID-19 may show no signs or symptoms of illness but can still spread the virus. Since some people may be contagious before their symptoms occur it is possible that an infected person may pass all the required health screenings and be allowed into a camp.

Organization into Camp Units

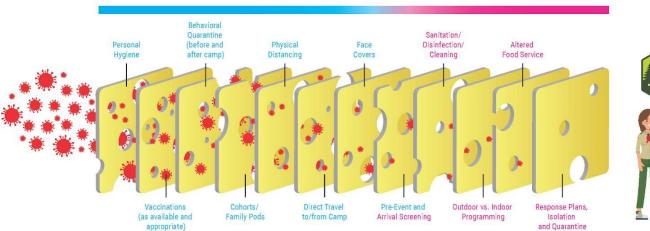

County and State guidelines are ever changing, so we will adapt accordingly to comply with the CDC rules in place. Our current plan is to have campers of one gender placed in a small "unit" that is led by two adults and/or with the assistance of junior helpers (which in turn are Scouts BSA scouts). These units cycle through events or stations throughout the day/week. Sometimes multiple units simultaneously participated in the same event.

In light of COVID, campers cannot be mixed or rotated in and out of units. Once they are assigned to a unit, they must stay with this unit the entire time at camp.

While we will not intermingle units, there will be occasions where more than one unit may be at an Activity Station at the same time. Little Hills Ranch is a large outdoor facility that has large banquet canopies which will be utilized for Crafts and Engineering. Other events take place in the open. When more than one unit is at a station at the same time, they will be kept apart – with one unit on one side of a tent and the other(s) on the other side or in the middle.

COVID-19 MITIGATION STRATEGY

Personal Responsibility → Camp Responsibility

Mitigating the risks of COVID is a shared responsibility.

Everyone must do their part before, during and after camp:

Before Camp

All Day Camp participants eligible for the COVID-19 vaccine are encouraged to be vaccinated.

Refer to the Golden Gate Area Council's COVID policy for updated information.

(per the CDC) People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. Anyone can have mild to severe symptoms.

Do not participate if you have any of the following symptoms:
☐ Fever (100.4° F or greater)
☐ Cough
☐ Shortness of breath or difficulty breathing
☐ Fatigue
☐ Muscle or body aches
☐ Headache
☐ New loss of taste or smell
☐ Sore throat

<u>Do not participate</u> if you or anyone you live with has recently tested positive for COVID-19 or does not have test results back. Do not attend the event if you, anyone you live with or anyone you have recently been around feel unwell.

<u>If you have a positive COVID-19 test</u>, follow the CDC guidance for isolation and your personal health care provider's treatment recommendations.

CDC Guidance on COVID Quarantine and Isolation

https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html

After Day Camp

Should any participant (Youth or Adult) or family member develop COVID during the week of day camp or within 10 days following camp, please email Rand Mahoney, the Meridian District Executive, at rand.mahoney@scouting.org as soon as possible after the diagnosis.

Where is Camp Located?

Little Hills Ranch 18013 Bollinger Canyon Road San Ramon, California.

Near Las Trampas Regional Park. Please follow the speed limit when driving Bollinger Canyon. There is lots of wildlife around! (Note: There is **NO CELL PHONE SERVICE** in Bollinger Canyon or at Little Hills)

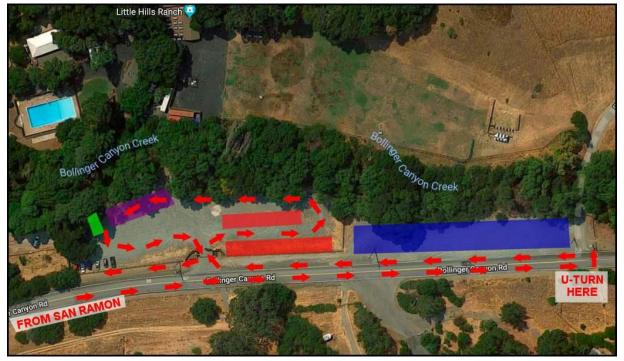

Driving to the Day Camp Drop Off Area

Traffic is very busy in the mornings, especially on Monday. Please plan to spend 15 minutes for drop-off and 30 minutes for pickup. The most important things - Please have PATIENCE during drop off and pick up; and follow the volunteer directions! THANKS!

All vehicles travel down Bollinger Canyon Road and *go past* Little Hills Ranch entrance.

- A U-turn is made further down the road so that all vehicles entering camp do so by making a right hand turn
- Do not stop on Bollinger Canyon Road to make a left hand turn into the parking lot. Go to the end and make the U-turn. There is NO LEFT TURN directly into the Little Hills parking lot.

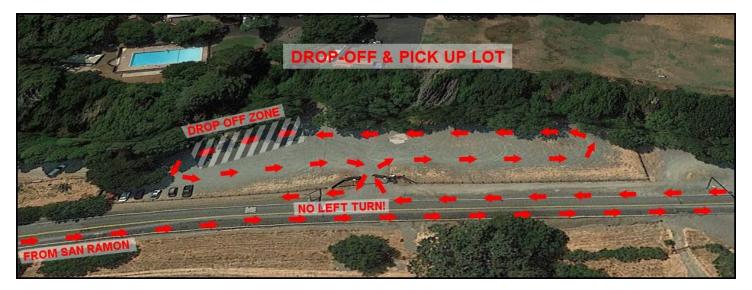

Drop Off & Pick Up

Cars will be directed when to enter the Drop Off & Pick Up Lot at Day Camp.

• Wait to turn into the parking lot and follow the directions given by the Traffic Personnel, only advancing when directed.

The flow of traffic is in a large counter-clockwise circle, with the Drop Off & Pick Up Zone located towards the end of the circuit.

Please follow the directions given by the Traffic Personnel. When picking up your campers, be sure to present
your Pick-Up slip to the Attendant. Wait until directed to drive off as many children are getting in / out of cars
during this time.

Volunteer Parking

Only adults volunteering the day at camp and wearing their Camp Staff shirts will be allowed in the Main Parking area. Parents wanting to walk their scouts to the entrance in the morning will have to park in the overflow area. Make sure you **display your parking pass on your dashboard** so that we may find you in case your car needs to be moved.

All vehicles parked in the main parking lot need to be backed in. The front of the car needs to face out so a quick exit may be made in the event of an emergency.

Pick Up Slips

In order for a child to leave the camp property, a **Pick-Up Slip** needs to be turned in.

Given children may be in different camp units, the adult picking up must have a Pick-Up Slip for each child.

These pick-up slips must be filled out completely.

- One child per slip.
- Write their unit number on the slip. Children will be in their units during pick up time.
- Circle the day that the slip is good for.
- Give the SLIP(s) to the person picking up your child each day.
- We will compare the name on the Pick-Up Slip to that is on the driver's ID. They must match in order for the child to be released to the person picking them up.

Every adult, including parents and parent volunteers, picking up a child from camp MUST present a valid pick-up slip EACH DAY. You even need a SLIP for your own child. **One pick-up slip per scout** (Cub Scout or Jr. Helper).

Pick Up Slips are on the Day Camp website at: https://meridian.ggacbsa.org/day-camp/

Contact your camp directors for the password to open the PDF. The access to this document is protected for the safety of our scouts.

Late Arrival & Early Departure

LATE ARRIVAL

Parents, do your best to inform your Unit Leader (preferred) or Camp Directors of a late drop-off. This will prevent any unnecessary phone calls.

Park your car in the parking lot and walk your scout into camp. Check in at Headquarters (HQ). We will determine your camper's unit current location and will escort your camper to their Unit bya Jr. Helper or Staff.

EARLY DEPARTURE

Please inform us if you plan to remove your camper early.

Park your car in the parking lot and walk into camp to Headquarters (HQ), have your pick-up slip filled out with photo ID.

Your camper will be located and escorted to HQ (note: this may take 10-20 minutes)

NO EARLY CHECKOUT AFTER 3PM (Monday-Thursday)!

Camp Layout

First Aid Station

While camp is located within a short distance from Fire Station #38, the First Aid Station is onsite to provide simple care to Scouts. The First Aid Station is located on the immediate left-hand side as you enter camp, next to the pool area. A qualified Camp Health Officer will be assigned at the station every day.

Everyone at camp must have their Medical form Part A & B on-file to be allowed on-site. Any camper or volunteer injured at camp should report to the tent for evaluation. The camper's buddy, Junior Helper or adult should escort them to the tent. Injuries will be triaged and treated. For serious injuries, parents will be notified and EMS will be activated.

Medications

If a camper must take any kind of medicine (prescription or over the counter) while at Day Camp, this must be turned into the First Aid Station at the beginning of camp and picked up on Friday. On Monday morning, the Camp Health Officer will be available in the parking lot to receive all medications from the parent/adult when the scouts are dropped off. On Friday afternoon, the Camp Health Officer will be available in the parking lot to return all medication to the parent/adult. Medications will be kept under locked supervision. Don't bring medications to camp unless necessary.

Exception: Epi-pens and rescue inhalers will stay with the camper. Be sure your Scout unit leader knows where the Epi-pen is kept so the Camp Medic can easily find it. For Epi-pens, it is recommended to have a second one at the First Aid Station for a possible biphasic reaction.

For all medications:

- Written instructions must be included with the Scout's name, medication name, when to be administered, and what quantity (dosage) to be administered.
- All medications must be given to the Camp Health Officer in the **original pharmacy container** in a **one gallon zip lock bag** with the scout's name and pack number written on the bag.
- This must be annotated on the Medical A&B forms that was turned in during registration.
- Contact the Camp Directors before camp if any medication requires special refrigeration. All medications will be kept in a cool, locked container.

It is IMPORTANT that **the parent/unit leader keep track of the medications and times needed**. Many times, the Scout needs a reminder to go to the First Aid Station.

Over the Counter Medications

Please do not carry your or the camper's over-the-counter medications with you. Some over-the-counter medications are available at the First Aid Station and can be administered <u>if you provided permission on the Medical B form</u>.

Examples:

- Children's Advil, Motrin & Tylenol
- Adult: Motrin, Tylenol & Excedrin

If you must bring over the counter medication, please drop it off at the First Aid Station and remember to pick them up at the end of Camp.

Two Deep Leadership & Buddy System

Adults working directly with youth need to be registered with the Boy Scouts of America and have completed Youth Protection Training.

The camp strictly observes two deep leadership. Adults are never to be "one-on-one" with a Cub other than their own child. Always have another adult present. No Cub can go anywhere without another scout or "buddy".

Dress Code

Scouts, Junior Helpers & Adult Volunteers will receive a Day Camp shirt the first day of camp and are to wear their Day Camp shirt every day of camp. These shirts help us distinguish those who are allowed to be at camp from strangers.

- Adults gray
- Campers red
- Jr. Helpers red with golden bandana
- TAGs red

Cubs will have water play activities Monday – Thursday and are asked to wear their swimsuit under their clothes so that they can access the water activity faster (even if under shorts or jeans).

- o Bring a towel and change of clothes so that your scout may change into dry clothes after the activity.
- Bring a Ziploc bag for the wet swimsuit.
- No open toed shoes are allowed.
- Please dress appropriately for all weather conditions.
- Wear sunscreen and hats at all times.

ITEM	Participants
Water bottle!	 Be sure to bring a water bottle to camp every day. Ice-cold water will be available to top off the water bottle throughout the day.
Face Coverings	As day camp is outdoors, face coverings are optional.
Snacks	 Please provide enough snacks for your scout, TAG or Jr. Helper. They are very active at camp and easily get hungry before lunch time.
Lunch	 Lunch is not provided. Everyone must bring their own lunch. No refrigeration is available at camp - any lunch bag should have their own cooling containers or packs should bring large ice chests/coolers to store individual lunch bags. Only food that will not spoil should be brought to camp. NO NUTS. Please do not bring any nut product / Peanut Butter to camp. Mayonnaise is not recommended.
Swimwear & Towels	 Only Cubs, Tags and Jr. Helpers can participate in the water station activity. It is a good idea to wear the swimsuit under their clothes and then bring some undergarments/dry clothes to change into. Bring a Ziploc type bag for the wet swim suit. Adults do not swim.
Sunblock, Sun Glasses & Hats	 It is strongly recommended that the scout have sun screen applied <u>before</u> coming to camp. Extra sunblock will be provided in the Unit Boxes and at the First Aid station, but personal sunblock is recommended. Hats are strongly recommended. Sunglasses are recommended.
Hand Sanitizer	 Sanitizer will be located throughout camp and provided in the Unit Boxes. But personal sanitizer is recommended.

Closed Toed Shoes	 NO flip-flops, Crocs or sandals will be allowed at camp. For the safety of the camper, only closed toed shoes are allowed. Those that arrive a camp in improper shoes will be sent home.
Backpack	Recommended to carry the above items.
Sun Shades	 We encourage Unit Leaders to bring Sun-Shades and set up over the Unit's table. Each Unit Leader should determine IF the shade from trees at the Unit Table is inadequate. Be sure to label everything.
Electronics Money	 Only adults are allowed to carry electronics and money on them. Electronics found on other participants will be confiscated and held at headquarters till the end of the day. NOTE: There is NO cell phone service at camp.
Coolers / Ice Chests	 No refrigeration is available at camp - any lunch bag should have their own cooling containers or packs should bring large ice chests/coolers to store individual lunch bags. Unit leaders will typically have a cooler and ice or cooling block for the unit. Ice chests can be left at Camp overnight.
Weapons Personal Toys	 Weapons of any kind (pocket knife, sling shot, razors, explosive, etc.) absolutely prohibited. The bearer will be asked to leave the camp Personal toys will be confiscated and held at Headquarters until the end of the day. We will provide all bows and arrows / shooting sports equipment needed for Day Camp. Personal equipment is not allowed.
Alcoholic Beverages & Illegal Drugs; Tobacco	 Alcoholic beverages or illegal drugs of any type will not be tolerated at ALL Day Camps. Possession of the same will result in immediate dismissal from the property. There will be no refund of unused camp fees. No tobacco or vaping devices are allowed in camp.

Lost and Found

The Day Camp lost and found box will be located at HQ (headquarters). Leaders need to remind Cubs to have their personal effects <u>clearly marked with name and Pack number</u>. Each Scout needs to take care of and safeguard their personal property. Do not take valuables to the program areas, or leave them lying unattended around camp.

Please have Cubs check to ensure they have all their belongings before going home – we will not be held responsible for items left at camp.

Pets

Pets are not permitted at Day Camp unless the pet is a registered Service Animal.

Discipline

The parents, Unit Leaders, and assistant leaders are the first responsible for the discipline and order of their own scouts. The Camp Staff may assist as needed, and will get involved with youth discipline if it involves the health and safety of Cubs, or the Unit Leaders or parents are not present at the time of the problem. The Camp Director will be appraised of any problem by the staff member and will refer them to the parent or the Unit leader. No arrangements may be made to send a Scout home before informing the Camp Director of the situation. No initiations or hazing are permitted in the BSA. It is so important the parents and the unit leader have a conversation BEFORE camp regarding any potential issues that may come up at camp and the best ways of working through them.

Damage to Equipment or Facilities

Each unit will be responsible for their own youth while at Day Camp. Any damages to equipment or facilities because of abuse, whether willful or as a result of negligent or imprudent practices, the parent of the Scout involved could be financially charged to cover the cost of those damages.

Water Activity

All Cubs need to be out of the water activity 10 minutes before the end of the scheduled time to allow for changing. All Cubs need to change out of their wet bathing suits.

Each Cub has been instructed to bring a zip lock bag with them to put the wet suit in. These bags should be in their daypacks that they carry with them throughout camp.

Youth can change inside the changing rooms adjacent to the water activity station. Youth must change on their own. Adults ARE NOT to assist the youth or be present while they are changing.

If a restroom is used for a changing station, male adults should not use the restroom when youth are inside changing. If it is necessary to enter the restroom, adults must be accompanied by another adult.

Activities are provided for those who wish not to participate in the water activity, such as lanyards or games.

Junior Helpers

Junior Helpers are our junior staff. In the morning, they should check in at the Junior Helper station located on the lawn in front of the pool area. There he or she will receive instructions. Junior Helpers will help out guiding campers in units, assisting at activity stations or ensuring that the water coolers are stocked.

Thursday Night Junior Helper Appreciation Event!

Junior Helpers are invited to a activity and pizza party – just for them – held Thursday evening from 4:20 p.m. to 6:00 p.m.

Volunteer Certificate and Earning Service Hours

At the conclusion of camp, Junior Helpers will also receive a THANK YOU certificate which states the hours they volunteered. This can be presented to their Scoutmaster or school, where applicable. Junior Helpers should contact their Troops before coming to camp to ensure that the hours they work at Day Camp will apply towards advancement service hours.

Adult Leader & General Camp Information

UNIT LEADER & GENERAL CAMP INFORMATION

Welcome to Day Camp! We hope you have a wonderful week. Here is some great information for you to have at camp. If you are a unit leader, we recommend you bring a wagon and pop-up canopies (make sure they are staked down). Don't forget to bring youR backpack, water, snacks and lunch. There is little to no cell phone coverage at camp, so plan accordingly.

Unit Leaders should arrive by 7:45 a.m. Monday through Friday. Expect to leave round 4:30 pm. On Friday, camp ends at 2:30 p.m., but we ask that you stick around to assist us putting away camp items. We can get done in a few hours if everyone helps.

VOLUNTEER INFORMATION

CORE STAFF: The Core Staff consists of a Camp Director and Program Director, and the District Executive. This year they will be wearing **gray** T-shirts. Usually, the Core Staff can be located at the Camp Headquarters. The Core Staff are the ones who work year-round planning and organizing the camp. Once camp starts, they are there to help the Camp Staff run and operate the camp. All Core Staff will have 2-way radios. The District Executive is the only paid scouter involved in the camp. All other staff members are volunteers.

CORE STAFF ASSISTANTS: These are people who also have 2-way radios. They can be identified by their **gray** t-shirts. These people include the Medic and Stations Leads (Crafts, Swimming, Engineering, Cooking, Nature, etc.)

ADULT STAFF: The Camp Staff is made up of adults, who are working all week, have attended training, and orientation. Most staff members are Unit Leaders, Assistant Unit Leaders, or Activity Managers. The staff are the ones who run the camp during the week. It takes all the staff working together to have a successful camp. Staff members can be identified by their **gray** t-shirts.

UNIT LEADERS: These people are staff members assigned to manage a unit of scouts. They are responsible for supervising the Cubs in their Unit from the time camp begins until the Cubs are: a) picked up, b) turned over to the Camp Director, or c) are taken home. They make sure the Cubs arrive at each activity on time, do the activities in the Unit box with the Cubs, help the Cubs with the activities at each area, etc. Besides supervising the Cubs, they are responsible to make sure the Cubs have a fun and safe time at camp. Leaders are encouraged to get into the camp theme and have fun along with the Cubs.

ASSISTANT UNIT LEADERS: These people are additional staff members assigned to a Unit. Over the years we have found it better to designate only one Unit Leader per Unit, Staff members assigned to a Unit who are not designated as the Unit Leader are designated as an assistant Unit Leader.

ACTIVITY MANAGERS: These people are staff members who have been working on preparing projects for the camp and/or work in areas around camp running our activities (engineering, crafts, tags, sports, swimming, etc.). Special BSA training has been taken by the managers for archery and swimming.

UNIT AIDES: These are adults that come and work one or more days but less than all-week, or are all week adults who did not attend training. They are the second adult volunteer in the unit. They are at camp to help the staff run the camp, especially manage and supervise the Cubs or help the project managers. The Unit aides also are responsible for supervising the Cubs in the assembly area while the staff is attending the morning staff meeting.

Jr. HELPERS: These are youth (boys and girls) ages 11 to 17 who come to camp to work and assist the camp staff. They are

assigned to work in the TAG program, in activity areas, sometimes with Units to help the Unit Leaders, or assigned to do miscellaneous jobs around camp, such as keeping the water containers full. These aides are Scout BSA scouts (formerly Boy Scouts). Ask them to talk to our campers about the Scout program. Youth aides can be identified by their **red** shirts and **golden bandanas**.

STAFF BREAKS: Staff members can take a break whenever the Cubs are involved in an activity and are being supervised by the Unit aides and project leaders. The best time is when the Cubs are at the water activity. Be sure that the aides also get a break. When taking a break, be sure to inform your adult volunteer partner(s).

STAFF MEETING: There will be a brief staff meeting daily <u>during the morning assembly</u>. The meeting will be at Headquarters (HQ). <u>One of the two leaders</u> from each unit should plan to attend. This is a time to update you on any changes that may occur, solve any problems, and hear suggestions. Please be on time and come with your ideas and feel free to have your say. Be sure and let the core staff know of any problems or concerns you have right away. We can't address them if we don't know about them! Remember to have Unit Aides or the Assistant Unit Leader stay with the scouts during the staff meeting.

TAG-A-LONGS (aka "Tags"): This is a program designed for siblings of our campers while their parents are working at camp. This program is for parents working at camp only. Tags can be identified by their **red** t-shirts. Tags must be checked into the program upon their arrival and must remain in the program until departure, except in case of emergency.

UNITS: Cubs are divided into Units. Most Units are a mixture of Cubs from various packs. A Unit consists of approximately **12-14 Cubs**, and a minimum of **2 adults**. Some units will be a mix of two or more packs. Cubs wear **red** t-shirts.

UNIT BINDER: This is the guide for the Unit. It contains the attendance sheets, the daily Unit schedule, projects the Cubs will do at camp, rules, emergency information, and other important and useful information. The Unit leader picks the binder during the Morning brief. **THE UNIT BINDER IS LEFT INSIDE THE UNIT BOX AT THE END OF EACH DAY**.

UNIT BOX: These boxes contain projects that can be done during Unit time, the Unit binder, supplies, etc. Feel free to use it for storage of items you may need during the week, but be sure and take any personal belongings with you on Friday.

• THE UNIT BOXES ARE TO BE LEFT AT CAMP AT THE END OF EACH DAY. The boxes are to be put on the table outside the TAG area when leaving. They are to be picked up at the truck when you arrive each day.

UNIT FLAG: Each Unit will find their flag when they arrive at assembly on Monday morning. Units are to sit behind their flag while at assemblies. When at assembly, the flags are to be placed on their unit flag stand. When the morning assembly is over, the flag is carried by the Cubs and goes everywhere they go during the day. Each Cub should be given a turn carrying the flag. When the closing assembly is over, return the flag to the flag stand. These flags are to be decorated by the Scouts during the Monday unit time activity (this takes place in the Unit area (at your picnic table), NOT IN THE ASSEMBLY AREA). Supplies to decorate the flags are in the Unit box. Let the Cubs use their imagination. Have fun!

UNIT SCHEDULE: Each Unit is scheduled into various activities throughout the day. It is important for you to be on time for these activities to finish on time. Please keep on schedule. If you finish early use some of the additional activities in your Unit box or play a game or sing a song.

ASSEMBLY: We have three assemblies during the day. Note: It is the Leaders responsibility to keep the Cubs orderly and quiet when needed.

Morning assembly is for getting started and general announcements. After morning assembly your Unit is dismissed to begin your day at camp.

Lunch assembly is for an activity or presentation. Have your Unit assemble quickly, to avoid delays in the afternoon activities. On Monday there will be a camp evacuation drill. DO NOT tell the campers in advance. If camp needs to be evacuated, an air horn will be blown at least two times in 3 short bursts. When this occurs, IMMEDIATELY round up all Cubs in your Unit and go to the parking area and line up behind the barricade with your Unit number on it. Do not attempt to collect belongings, etc. However, make sure you have your <u>list of scouts in your unit</u> and you can account for all of them. Activity managers are to be the last ones to leave their area, making sure all Cubs have left and all hazards have been secured.

Closing assembly is to say goodbye to the campers for the day and is usually pretty short. Be sure that your Unit area is clean and tidy and that all the Cubs in the Unit come with all their belongings to the assembly. Once assembly is over, you need to get the Cubs to the parking lot without delay.

REMEMBER <u>YOU</u> ARE RESPONSIBLE FOR THE CUBS IN YOUR UNIT <u>UNTIL THEY ARE PICKED UP</u> (OR TURNED OVER TO THE CAMP DIRECTOR IF THEIR PARENT HAS NOT ARRIVED AT THE PICK-UP TIME).

ATTENDANCE SHEET: This is found in your Unit Binder. Take attendance each day at morning assembly. Keep one copy in the binder and track which Cubs have attended each day for the achievements mentioned above. Keep one copy with you always in case of emergency and the camp needs to be evacuated. Another copy needs to be completed and will be delivered to the Camp Director or assistant during the morning assembly.

BUDDY SYSTEM: The name is descriptive. No Cub can go anywhere without another scout or "buddy".

TWO DEEP LEADERSHIP: Adults are never to be "one-on-one" with a Cub other than their own child. Always have another adult present.

BULLETIN BOARD: Special messages and a copy of the master schedule will be posted on the board. The board is in the HQ area.

CLEAN UP: We are all responsible to keep the entire camp clean. Keep your Unit area clean. Trash cans are located throughout camp. Put all your Unit supplies away in your Unit box at the end of the day. Each Unit will have an opportunity to win a clean camp award. As the Cub Scout motto says, "Do Your Best". Activity managers are responsible for returning all tools to the storage truck at the end of each day.

FOOD & DRINK: Everyone attending Camp, both Cubs and adults, is responsible to bring their own food and drink. Water will be provided throughout camp. Only food that will not spoil should be brought to camp. Mayonnaise is not recommended. We do recommend one large ice chest, preferably with wheels, be brought to store the food and drinks in during the day. Please bring your own Ice or cooling blocks. Ice chests can be left at Camp overnight. We do have an emergency supply of water bottles at HQ if someone needs it.

LOST & FOUND: All lost & found items will be deposited at the Camp HQ. Please bring anything you find there. Expensive items will be held up at assemblies to be claimed, and if not, kept in the HQ. When camp is over, all items are delivered to the Council office.

SONGS: We highly encourage singing songs, chants, or cheers when going from place to place. The louder and more the better. You should start working on this as soon as Monday's assembly ends while traveling between activities. When coming up with your song, remember this years' theme. There is a bag full of candy that makes its way around Camp. The bag is referred to as "critter". Whenever a loud song is performed for the person with Critter, the Cubs will be rewarded! Also, we would love to have a copy of your song or cheer for our camp song & cheers book. Find songs online

and bring your own to camp!!!

WATER ACTIVITY: The Cubs will be supervised by the staff member assigned to the water activity. They will be assisted as needed by the Unit Leaders and aides. All Cubs need to be out of the water activity 10 minutes before the end of the scheduled time to allow for changing. All Cubs need to change out of their wet bathing suits. Each Cub has been instructed to bring as zip lock bag with them to put the wet suit in. These bags should be in their daypacks that they carry with them throughout camp. The Cubs can change either inside the changing rooms adjacent to the water activity station. The Cubs must change on their own. Adults ARE NOT to assist the Cubs or be present while they are changing. Male adults should not use the restroom during the period that the Cubs are inside changing. If necessary to enter the restroom, adults must be accompanied by another adult.

MEDICAL CONCERNS: On each attendance sheet is a box next to each scout's name that lists any medical concerns that the Unit Leader may need to be aware of. Due to the small size of the box, most problems are noted with only one or two words. For additional information, the Cub's application is available for review in the Staff Area. If any problem noted on the forms are observed, report them to the nurse. An example of this is if the form says, "bee sting", then the Cub is allergic to bee stings. If stung, the Camp Health Officer or Camp Director must be notified immediately.

FIRST AID: Any & all injuries must be reported to the Camp Health Officer (CHO). The CHO can usually be found in the First Aid area. Whenever they leave, a note will be on a board outside the first aid area as to where they can be located. They also can be found by contacting any staff member with a radio. Any children who need medication while at camp MUST have it administered by the CHO or by the child's parent. If sending a Cub to the CHO, remember to send a buddy. And if you think the Cub will have to stay with the CHO, send along two buddies with the sick or injured Cub. For any serious injury, contact the nearest staff member with a radio. The medic will come to the injured Cub Scout (or adult).

STRANGERS IN CAMP: If you see anyone in camp who looks like they do not belong, please notify immediately a staff member with a radio. The Camp Director will make contact and identify the stranger.

EMERGENCY EVACUATION – 3 short blasts from the air horn. Each station leader will have an air horn & 2-way radios to communicate with Camp Directors. Units will assemble at the emergency gathering location and remain there until the "all Clear" is given. Unit leaders make a heavy not to ensure all are accounted for.

JUNIOR HELPER PARTY: Thursday evening, Jr. Staff will be treated to pizzas and a party from 4:20 to 6:00 pm.

FRIDAY CAMP GAMES: Friday is when we will switch from the normal daily schedule to the camp wide games. We encourage help to setup stations. The Staff meeting will be held during opening assembly.

REMEMBER TO HAVE FUN AND THANK YOU FOR TAKING THE TIME TO COME AND WORK AT CAMP!

Pick Up Slips

Give a SLIP to the person picking up your child each day. ONE SLIP PER CHILD EACH DAY.

These pick up slips must be filled out completely. Every adult, <u>including parents</u>, picking up a child from camp MUST present a valid pick-up SLIP <u>EACH DAY</u>. Volunteers even need a SLIP for their own child.

Please get your **Pick Up Slips** on the Day Camp website.
