## PARKING DIRECTIONS:

Due to VERY limited parking, your unit must **CARPOOL!** When you turn off Mines Road into camp, you will be on a one-way road for a portion of the ½ mile drive. Keep the speed down and your eyes peeled (there are lots of scouts walking around!) When you come to the first crest, you will see the camp HQ (Teel Lodge, Dining Hall and Webelos check-in) on your left. Please back in for a safe and efficient exit.

## IMPORTANT REMINDERS:

- Parents are not required to attend with their Webelos. However, every den must provide **2-Deep Adult Leadership** who will be responsible for their scouts and *can not* leave them anytime during the event or the Webelos will be forced back to the main lodge and not be able to participate in troop activities.
- No **siblings** or pets allowed to attend.
- Electronic devices, scout knives, or fire related items are prohibited.
- Webelos cannot participate in Rifle shooting, Tomahawk and Skits activities.
- **There is no cellular service at Camporee!**
- **Parking is limited. Carpool!**
- **Arrive before 10:00AM for optimal experience.**
